Linda Stephens volunteered to work on making Rules of Order & Procedure by next meeting.

AT BSTA's School Board Meeting (January 25th, 2014). At the meeting the School Community Council Members will present the 2013-2014 Land Trust Plan.

Discussion of the 2013-2014 Land Trust Plan – BSTA's lowest CRT score was in science (78). However, the state average was 60. The Council has decided the money for the 2014-2015 school-year will go towards the science department and Silent Sustained Reading (English department). The money will go towards the science resources/materials/electronic books
