Reviewed and Voted on Beehive Science & Technology Academy Community Council's Rules of Order and Procedure

Linda Stephens made the motion to approve Beehive Science & Technology Academy Community Council's Rules of Order and Procedure. Judy seconded the motion. All approved the motion. None opposed.

Discussion of Spending of Funds

After our last meeting the council decided to allocate the funds to the science department and Silent Sustained Reading (SSR). Mr. Oguz talked to the science department to see what supplies they would need for the 2014-2015 School Year. After hearing what they would like, the council decided to have 50% of the funds go towards their lab materials and 50% toward SSR.

Mr. Oguz made the motion to approve that 50% of the funding go towards the Science Lab Materials and 50% go toward Sustained Silent Reading (SSR). Linda Stephens seconded the motion. Then the council voted and everyone approved the motion.

Next Meeting Agenda

The Council has two vacancies for two members, one of which is for the secretary position. Vote on a new Secretary.

End of meeting was motioned by Jennifer Slack. Debbie Flynn seconded the motion. The meeting was adjourned.
